

ISE Student - Parent iPad Responsible Use Agreement

Goals of the using the iPad in Education

- To support students in their work in and outside the classroom in all subject areas.
- To facilitate mobile and personalized learning throughout campus.
- To promote creativity and independent learning.
- To prepare students for the future workforce and provide them with necessary digital competencies.

Responsibilities

While using the iPad:

- Students are responsible for the security and benevolent usage of the iPad at all times
- Students are responsible for keeping the iPad fully charged every day when bringing it to school and updated to the latest Operating System (OS).
- Students are not allowed to deface the iPad in any way (e.g. write, place stickers on it).
- Students keep the full set; a box along with the cable, charger and iPad for the time period the iPad is checked out for them.
- Students are not allowed to download and install apps that are not related to educational purposes.
- If the iPad is lost, stolen or broken beyond repair the school will order a new iPad looking for the best offer. Parents will need to cover the cost of the replacement iPad. The cost can change depending on changes in market value.
- Students who agree to this contract must provide a cover for the iPad, which should be on the iPad at all times.

When returning iPad to school:

- iPad must be returned to the school in fully functioning, polished working order at the end of the school year or the time of withdrawal, including the iPad box, charger and cable.
- Students should return the iPad ONLY after they have reset "all content and settings". All passwords and passcodes must be removed before returning it to school.
- The student and parent agree to the attached "ISE Student - Parent iPad Usage Procedures".
- When an iPad is broken/malfunctioning but can be repaired, the school will run the initial diagnostics and get the price offer for the repairs. The iPad repair will be taken care of ONLY by school. Once the diagnostic tests are completed and the cause of the malfunction has been determined, the school will make a decision as to who is responsible for expenses incurred in the repairs. In the case of a technical breakdown the school will cover the cost of repairs. However, if it is determined that the damage was the result of negligence or misuse on the part of the student, then the family will be responsible for the costs of the repairs. School will offer the replacement iPad for the time of repairs with a new temporary agreement for that specific machine.

*I understand that any abuse of the regulations in the agreement will result in my privileges being withdrawn; the iPad returned and school disciplinary action being taken.
